

JOY TO THE WORLD, THE LORD IS COME

## Staff Profile: Jasmin Wiebe

Camp Name: Abu. Jasmine is the princess in the movie Aladdin, and Abu is the name of the monkey in Aladdin.

Jasmin has been a camper, counsellor, and assistant program director. She has spent the past two summers at FBBC.

Last summer, her youth leader encouraged her to come to camp. She came back this past summer because she loves building relationships with campers and getting to know them.

Her favourite part of last summer: "I had three campers become Christians in one week. It was incredible to help them build a relationship with God and be able to guide them towards the truth.

Top right: Jasmin in character as the "Wise Old Woman" for a game  
Bottom right: Valerie with campers after swim time

Valerie Janelle's favourite things about camp:

1. "I loved the crazy stories we shared, and the random things we did.
2. When the kids got to memorize bible verses and they were so excited when they got one.
3. The bible stories during chapel time were so much fun. My personal favorite was Moses.
4. I had awesome experiences with people. When I was losing hope, someone helped me and I was able to keep going on."

## Staff Profile: Derek Reimer

Camp Name: D-Rock

What brought him to camp? "The desire to serve God, and to share the gospel with kids. A man came to my church looking for counselors and other help, and my entire family decided to go and help."

His favourite part of last summer? "Leading a camper [to Christ]. I told him that since we are both children of God, we are now brothers. He was thrilled to have an older brother."

Prayer Requests: "Pray for the camper mentioned above, that there would be another Christian to come alongside him and help him grow. Pray for me as I learn more, to prepare me to bring more people to Christ."

On January 30, 2015 some of the past FBBC staff got together for an evening of fellowship, fun and food.

## Staff Profile: Mikaela Driedger

"They call me 'Smurf'. The second year that I attended camp I received this name. This was the particular year that I found out what a 'smurf' was. It was a fitting name since I was short and liked the colour blue! I started off as support staff my first year, completed the LEAP Program the following year, and have counseled ever since." Mikaela has been coming to FBBC for the past six years, and her presence is always appreciated.

What brought her to camp? "Someone said, 'You have to go!'. I went once and couldn't stop going! I really love the people from the communities around the camp. Giving kids something fun and worthwhile to do in summer is truly awesome. Sharing my faith with the kids at camp has really helped me to grow my faith, and I have built many lasting friendships!

Her favourite part of last summer? "During a junior week last summer I had one camper who was struggling with intense spiritual warfare. It was keeping her up at night. Towards the end of the week she gave her life to the Lord and He set her free! It was absolutely amazing."

Prayer requests: "Please pray for the girl mentioned previously, that she would be able to stay strong in her new found faith in Jesus!"

*Mark your calendars...*
